## Applications for NSLP – Breakfast and Lunch

Pace School is a Provision 2 school with the National School Lunch/Breakfast Program. We do not currently charge for breakfast or lunch and most years we do not collect NSLP applications but this year is a little different.

For this school year, 2009-2010, we will continue to provide a nutritious breakfast and lunch at no charge to the families of Pace School; however, due to state requirements, Pace School must collect the National School Lunch (and Breakfast) Program applications\*.

**It is extremely important that the applications be returned to us as soon as possible.** \*If you know your family does not qualify for the program, then you do not have to fill out the NSLP application; however, we would appreciate notification from you that you would prefer not to complete the application by either a note on the application or calling Mrs. Pagano at 412-244-1900 ext. 4211. Also, if there is a chance that you may qualify for free or reduced breakfast/lunch, please complete an application as soon as possible.

For everyone who has already completed an application, thank you, we appreciate your taking the time to complete the application.

If you need an application or have any questions regarding the application, please contact Theresa Pagano at 412-244-1900 ext. 4211.
