

My Son . . .

I just want to say that this was my sons first year at Pace. He started in March of this year. It has been an amazing experience for all of us. He went from a boy who was afraid and hated school to someone who was excited about the rest of the school year. We have seen so much improvement in him and are so very proud!! He has made friends...real friends and I have heard him laugh and seen him smile more in the past 4 months than ever. Thank you staff at Pace school for allowing my son to feel good about himself and know that he is safe."
